I am aware that the **cancellation of the German Year without valid reasons** (personal reasons, distributed German host university, money issues etc. are not considered as valid reasons!) could not be tolerated from GJU and will cause that I face **the least preference in the distribution process in the following semester**. I am aware that I would also need to let the IO know ASAP of my cancellation plans. I hereby confirm that I have carefully read and agree to the IO Procedures explained above in this document.
